Since the budget allotment to the Malnad Improvement Committee for the next year is proposed to be cut down from 1,50,000 to 75,000 rupees and as next year's money allotted will be taken up by the permanent measures sanctioned in the depth of sanitary Medical relief, it is desirable to suspend the payment to the Malnad Improvement Committee for a year or two till the finances improve to require more than 50,000 rupees for the permanent recurring expenditure & the balance Rs 25,000 may be reserved for 'Sanitary improvements' for which

Subject:-

Reduction of the establishments sanctioned for the Malnad Improvement Scheme.

In connection with the retrenchment of expenditure rendered necessary by the present financial condition, the budget grant for Malnad Improvement for the next official year has been reduced from Rs. 1,55,000 to Rs. 50,000. The operations of the Scheme have therefore to be limite to this grant. A sum of Rs. 47,720 will be required if only the marginally noted items of expenditure, which are indispensable, are provided for and all the other special establishments temporarily entertained for the working of the Scheme discontinued. I therefore suggested that the work of the Malnad Improvement Committees might be suspended for a year or two till it was possible to provide adequate funds for it, and that in the mean time it might be transferred to the Medical and Sanitary Departments and the local bodies concerned.

1. Dispensaries & Vaidyasalas	..	Rs. 30,876
2. Pay and allowance to midwives	..	Rs. 4,584
3. Pay and allowance to Vaccinators		Rs. 8,460
4. Cost of Vaccine Lymph	..	Rs. 500
5. Supply of quinine	..	Rs. 1,450
6. Training of Dayees	..	Rs. 1,200
7. Health propaganda and anti-malarial compaign in Hassan District. ...	..	Rs. 650
Total	..	Rs. 47,720

2. The matter was considered in Council and they are of opinion that "as the grant for Malnad Improvement for the next year is hardly sufficient to meet the cost of the dispensaries, midwives and vaccinators, the clerical and work establishments may be dispensed with from 1st July 1921 and all incomplete works transferred to the District Boards".

3. It is reported that about Rs. 38,000 will be required for completin the works now in progress and for the payment of out-standing bills. Ou

this,a sum of Rs. 20,000 may be required for payment during the next year, which may be met out of the allotment of Rs. 25,000 proposed to be made in the next year's budget for "Sanitary Improvements" under " 30 - Public Improvements".

4. The above proposals may be graciously approved.

Originally a sum of Rs 50,000 including consolidated allowance was proposed to be sanctioned for malaria Impt Scheme for 1921-22. and when consolidated allowance was decided to be abolished, a sum of Rs 45,0 [38,000 + 7,000 consolidated allowance] was actually sanctioned. But later on an additional sum of Rs 13,000 was sanctioned. Thus the total allotment for the S. scheme as finally sanctioned amounts to Rs 58,000 including consolidated allowance. Out of this, a sum of Rs 47,720 including Dom. allcg has been sanctioned for dispensaries, midwives etc. Now, owing to the increase, a part of Rs 10,280 is available for expenditure. A sum of Rs 19,320-5-0 is sanctioned for improvement works out of the sum of Rs 25,000 allotted for Sanitary Improvements. A sum of about Rs 280 seems to be necessary for paying the old bills of the M. S. Central committee, such as, T.A. bills, hire bills & allowance to shorthand writer for

30 months order on the ms. budget file.

By 31.5.21

I think there is a mistake as regards allotment made for malaria improvement. The sanctioned scale as now revised comes to Rs 50,000 exclusive of high price allowance in the draft budget. The provision for high price allowance has been deducted on this amount thus reducing the sanctioned scale to Rs 38,000. Further reduction is not possible & the Deputy Commr. have been told that the allotment has been fixed at Rs 50,000 exclusive of H.P. allce. & they have been asked to dispense with the extra establishment. Full provision may be made for the same.

Opinion Provincial.

The grant for malaria improvements may be raised from Rs 45000 to Rs 50000 including high price allowance. Corresponding reduction being made in the Trooples.
